STOMACH SUFFERERS

Mayr's Wonderful Stomach Remedy Is Recommended and Praised by Thousands Who Have Been Restored

"I was a sick man for about three months caused from Gall Stones of the Liver and was told by three of our most prominent physicians that I would have to submit to an operation to get relief, but heard of your Wonderful Stomach Remedy and secured a full treatment and took it according to directions and passed hundreds of Gall Stones. Since taking your medicine I work regularly and don't feel any ill effects. I am praising your Remedy to all my friends. I think it's worthy of the highest praise. B. L. DOOLITTLE, Roanoke, Va."

Sufferers of Stomach, Liver and Intestinal Ailments are not asked to take Mayr's Wonderful Stomach Remedy for weeks and months before they feel benefited. Just try one dose - which should make you feel better in health, convince you that you will soon be well and strong, free you from pain and suffering and give you a sound and healthy Stomach, as it has done in thousands of other cases. Wherever it is taken you will hear nothing but the highest praise. Go to your druggist - ask him about the great results it has been accomplishing in cases of people he knows or send to Geo. H. Mayr, Mfg. Chemist, 154-156 Whiting St., Chicago, Ill., for a free book on Stomach Ailments and many grateful letters from people who have been restored.

Received With Favor.
Perry S. Rader's announcement of his candidacy for the Democratic nomination for supreme judge has been received with great favor by the Missouri edi-

tors. It is doubtful if the announcement of any candidate for supreme judge was ever more kindly treated. Throughout the state the Democratic editors have commended him to their readers.

When he made the race for this nomination in 1912 nearly every editor, who gave expression of his preference among the candidates was for him, and the unanimity with which they give place to his announcement indicates that he will be almost unanimous favorite with them this year.

Rader was once a country editor himself, as was Judge William B. Napton, another son of Saline, who afterwards occupied the supreme bench for the greater part of forty-two years, and that fact may in a way explain why the editors seem with almost one accord to desire his nomination. But it is also true that they believe he will make a good judge, and that is the real reason why they have with such magnanimity given large place to his announcement. -The Daily Democrat News, Marshall, Mo.
